Please drive to the main access / barrier **1** to the factory premises. Please use the visitor parking IT **8** in the factory premises. The entrance to the IT is at the staircase **7**. Please press the bell to the left of the door. You will then be picked up by our colleagues at the entrance or in the stairwell.

➔ The driveway to the visitor parking places IT is with the red arrow marked.

If you have any questions, you are welcome to contact the direct contact person from IT.
